EX PARTE OR LATE FILED

Dear Chairman and Commissioners,

November 25, 2017

Your respective decisions regarding Net Neutrality will demonstrate whether you stand with the vast majority of Americans for whom you are charged with serving and with the health and well being of our country, or if you are in the pocket of Big Business interests.

Any action that inhibits equal access of the "information superhighway" to all content providers or consumers will be detrimental, to the point of being criminal and qualifies as Anti-American in every regard.

We are watching.

FCC Mail Room

Sincerely,

Kathleen Jensen
